STATEMENT OF DISCLOSURE AND APPLICANT AGREEMENT AS TO FEES

The fees which must be submitted to the Coastal Resources Management Council are based upon representations made to the Coastal Resources Management Council by the applicant. If after submission of this fee the Coastal Resources Management Council determines that an error has been made either in the applicant's submission or in determining the fee to be paid, the applicant understands that additional fees may be assessed by the Coastal Resources Management Council. These fees must be paid prior to the issuance of any assent by the Coastal Resources Management Council.

The applicant understands the above conditions and agrees to comply with them.

NOTICE TO APPLICANTS

The Coastal Resources Management Council regulations require that the following must accompany every application otherwise these applicants will be deemed incomplete and returned.

1. **Four copies** of completed application form including plans, are required. If the project requires a type "B" or involves work in the waterway, plans must be 8 1/2" x 11". If the project is type "P" or Prohibited, a Special Exception form will be required, staff will provide you with the necessary forms.
2. **Application fee** - see attached CRMC Fee Schedule
3. **Proof of Ownership.** The CRMC requires a letter from the local tax assessor stating ownership of the property.
4. A copy of the **local building permit** or a **letter from the local building official** stating that a building permit will be issued upon receipt of a CRMC permit, with the exception of recreational boating facilities.
5. Supply **photos of coastal feature construction site.**

In addition, where these additional items are applicable, they are also required:

- a. Affirmation that the proposed structure will be serviced by municipal sewers. (For large projects, local community approval and construction details of the tie-in are required).
- b. An approved Individual Sewage Disposal System (ISDS) permit from DEM/ISDS, 291 Promenade Street, Providence, RI, 02908; phone (401) 222-2306.
- c. An approved "Change of Use" permit from DEM/ISDS is required in un-sewered areas when an increase in the number of bedrooms, an increase in "flow units", or a change from season to year-round use is proposed.

Your application receives a thorough review by our staff biologists and engineers during which they may require additional information to complete their review. If this becomes necessary you will receive a separate information request form.

You are urged during this process to be as complete as you can in fulfilling all informational requirements. In addition, you are also urged to adhere as closely as you can to all the Coastal Resources Program requirements. Failure to do so could cause delays in processing your application.

We thank you for your cooperation in this matter and look forward to working with you in protecting our coastal environment.
